

HEAVENLY VISION

*My eyes are fixed above
Focused upon You, my love;*

*Eternity captives my imagination.
What an awesome destination!*

*To see You face to face
In all Your glory and grace;*

*Mom and Dad rejoicing there,
Free of all earthly care.*

*No more crying, grief or pain,
Now eternal rewards to gain.*

*What a joyful expectation
Filled with holy anticipation.*

*You have gone to prepare a place
After we all run our race;*

*Keeping our eyes on the goal
Jesus died for every soul!*

*Not left as orphans alone
Even though we sometimes groan.*

*Earthly bodies will wear out,
Then will be our victory shout!*

*Jesus, our Savior we'll meet
Along with loved ones to greet!*

*Hallelujah to the LAMB
"All glory to the great I AM"!!*

Come, Lord Jesus. COME!

Your expectant bride,

Nancy
