“StoryWave” Evangelism...

Catch the wave of God’s Spirit by creatively communicating God’s eternal love story.

Learn to tell stories from the Bible to connect with the heart of this generation. On your campus, in your community or around the world, people love a good story!

“StoryWave” training will equip you to use God’s story in evangelism, discipleship and short-term missions.

Stories will be modeled and skills will be taught and practiced. Learn to tell your story **with** God’s story.

Training options include:

- -Introductory seminar or 1 day workshop
- -Weekend training:
 - Friday evening outreach
 - Saturday training & practice
 - Sunday morning at church.
- -3 evening trainings/campus sessions
- -5 day Chronological story training.

Learn how your campus, target group or church can adopt or send a team to an unreached area of the world.
